Mr. Jeff Larsen
Illinois Environmental Protection Agency
2200 Churchill Road
Mail Stop #24
Springfield, IL 62706

Dear Mr. Larsen:

From our telephone conversation yesterday, we understand that the Illinois Environmental Protection Agency (IEPA) has not yet received the draft RI report for the Saugnet sites project from Ecology & Environment (E&E). Even though the report is not final, we understand that all of the analytical data has passed the E&E and IEPA QA/QC screening process.

Geraghty & Miller, Inc. would like to obtain a copy of the chemical analyses of soil, air and ground-water samples before the report is formally issued. I would appreciate it if you could make arrangements to have the data sent to us as soon as possible.

If you have any questions or if you need additional information, please do not hesitate to contact me.

Very truly yours,

GERAGHTY & MILLER, INC.
